

*** SPECIAL PROMOTION *** CALIBRATION SERVICE

Call our office at +65 63550851 or email us at felixyeoh@n-denkei.com for * SPECIAL PRICE *

We have an **experienced team** of trained & qualified engineers to provide calibration, repair services, setup and installation.

We believe that our services are value for money and will benefit our customer in cost saving, reduced down-time without compromising quality.

Our **calibration** laboratory is accredited by SINGLAS.

We provide:

- ISO17025 calibration
- Standard Traceable Calibration
- Customized Calibration to customer requirements
- On-site calibration
- Saving for large quantity calibration

Our **repair** capability covers most of the test equipment in the market.

We provide:

- 90 days repair warranty
- Cost saving compare to maker standard price
- Free equipment evaluation before repair
- Free local collection / delivery

Other Services:

- Technical support & Maintenance Contract
- Sourcing of spare parts
- Outsourcing for 3rd party calibration
- Outsourcing for factory calibration and repair in Japan

We provide services for the following equipment...

-- TEST & MEASURING EQUIPMENT --		
<ul style="list-style-type: none"> • AMPLIFIER <ul style="list-style-type: none"> - Frequency Amplifier - Instrumentation Amplifier • ANALYZER <ul style="list-style-type: none"> - Audio Analyzer - Distortion Analyzer - FFT Analyzer - Frequency Response Analyzer • COUNTER <ul style="list-style-type: none"> - Frequency Counter - Microwave Counter - Universal Counter • EMC TESTER <ul style="list-style-type: none"> - Electrostatic Simulator - Fast Transient Noise Simulator - Impulse Noise Simulator - Lightning Surge Simulator • GENERATOR <ul style="list-style-type: none"> - AM/FM Stereo Signal Generator - Audio Generator - Function Generator - Modulation Generator - RF Signal Generator - RF Sweeper Generator - TV/Video Generator 	<ul style="list-style-type: none"> • METER <ul style="list-style-type: none"> - AC/DC Ammeter - AC/DC Voltmeter - AM/FM Modulation Meter - Clamp Meter - Digital Multimeter - Distortion Meter - Jitter Meter - LCR Meter - Milliohm Meter - RF Voltmeter - Phase Meter - Watt Meter/ Power Meter - Wow/Flutter Meter - Vector Voltmeter • OSCILLOSCOPE <ul style="list-style-type: none"> - Curve Tracer - Digital Oscilloscope - General Purpose Oscilloscope • POWER SUPPLY <ul style="list-style-type: none"> - AC/DC Power supply • PRECISION TOOL <ul style="list-style-type: none"> - Digimatic Caliper - Micrometer - Load Cell - Push-pull gauge 	<ul style="list-style-type: none"> • QA TESTER <ul style="list-style-type: none"> - Digital Thermometer - Recorder - Temperature Oven - Temperature/Humidity Chamber - Thermo Shock Chamber - Thermo Hydrograph - Vibration Test System • SAFETY TESTER <ul style="list-style-type: none"> - Earth Continuity Tester - Insulation/Puncture Tester - Withstanding Voltage Tester • TELEPHONE EQUIPMENT <ul style="list-style-type: none"> - Telephone Dial Testers - Telephone Testers • OTHERS <ul style="list-style-type: none"> - Battery Tester - Electronic Load • NEW! For Calibration <ul style="list-style-type: none"> - ESD Gun Current Waveform IEC61000-4-2 Standard
