Distributor Certificate

We confirm that Nihon Denkei Viet Nam Co., Ltd. is the exclusive distributor for RION particle counters in Vietnam.

Their particle counter service laboratory in Singapore is certified by RION. Nihon Denkei personnel have been repeatedly trained on RION system to assure that their calibrations follow RION procedures.

This certificate is valid for one (1) year after the date of issue as above.

Best regards,

Kei Higashi
General Manager,
Particle Counter Sales Dept.
